SUBJECT INDEX FOR VOLUME 19

A

African swine fever
  social cost/benefit assessment of disease prevention, 405
Agenda 21
  sustainable development indicators, 175
Air pollution
  Asian Development Bank role in cleaner production in China, 541
  Chinese responses to prevention incentives, 521
  cost of damage to buildings, 361
Amenity loss
  air pollution effects on buildings, 361
Animal disease prevention
  social cost/benefit assessment, 405
Appeal Board for Nature Protection
  screening cases, 3
Appraisal
  integrated decision-making and, 227
Asian Development Bank
  role in cleaner production in China, 541

B

Bilateral agreements
  UN-ECE Convention, 85
Bio-geophysical sciences
  environmental impact assessment focus, 111
Buildings
  air pollution damage costs, 361

C

Carcinogenicity
  hazardous waste regulatory requirements, 99
China
  cleaner production strategy, 431, 437, 457, 477, 499, 521, 541, 553
  environmental labeling program, 477
  Montreal Protocol implementation, 499
  pollution prevention incentives/responses, 521
Chlorofluorocarbons
  cleaner production in China, 499
Cleaner production
  China, 431, 437, 457, 477, 499, 521, 541, 553
  environmental impact assessment in China, 457
Communicable diseases
  health impacts of large dams, 113
Communication
  infrastructure plans, 125
Conflicts
  infrastructure plans, 125

D

Damage costs
  air pollution effects on buildings, 361
Dams
  large
    health impacts, 113
Decision-making
  integrated appraisal and, 227
  transport infrastructure plans, 125
Development cooperation
  integration approach, 233
Disease prevention
  social cost/benefit assessment, 405

E

Energy sector licensing process
  public participation in environmental assessment, 201
Environmental appraisal
  Structural Funds effects, 245
Environmental dispute resolution
  ski resort development, 319
Environmental labeling program
  China, 477
Environmental management plans
  World Bank projects, 333
Espoo Convention
  bilateral agreements, 85
  history, 37
  implementation, 57
  innovations, 47
Evaulation
  quality of environmental impact assessment reports, 387

F

Federal regulatory requirements
  hazardous waste, 99

Frame conflicts
  infrastructure plans, 125
France
  air pollution damage to buildings, 361

G
Germany
  transport infrastructure-related policies and strategic environmental assessment, 143

H
Hazardous waste
  regulatory regulation, 99
Health impacts
  dams, 113
Hungary
  public participation in environmental assessment, 201

I
Industrial sectors
  cleaner production in China, 499
Infrastructure plans
  dilemmas, 21
  frame conflicts, 125
Integration
  development cooperation effects, 233
  integrated appraisal and decision-making, 227
Intergenerational equity
  sustainable development fundamentals, 175
International law
  EIA Convention, 47
Intragenerational equity
  sustainable development fundamentals, 175
Irrigation plans
  strategic environmental assessment, 259

J
Japan
  technology transfer efforts, 553

L
Labeling program
  China, 477
Legislation
  development of environmental impact assessment, 201

M
Montreal Protocol
  implementation in China, 499

N
National Environmental Policy Act
  focus on bio-geophysical sciences, 111

O
Ozone depleting substances
  cleaner production in China, 499

P
Performance
  quality of environmental impact assessment reports, 387
Persistance
  hazardous waste regulatory requirements, 99
Policy alternatives
  transport infrastructure plans, 125
Pollution control
  international
    Espoo Convention, 47
Pollution prevention
  Asian Development Bank role in cleaner production in China, 541
  Chinese responses to incentives, 521
Procedural rules
  enforcing, 3
Production
  China and cleaner production strategy, 431, 437, 457, 477, 499, 521, 541, 553
Public investment plans
  evaluation, 305
Public participation
  Hungarian environmental assessment, 201

R
Regional development
  environmental appraisal and Structural Funds, 245
Regional environmental assessment
  World Bank projects, 333
Regulatory requirements
  hazardous waste, 99
Renovation costs
  air pollution effects on buildings, 361
Reports
  quality of environmental impact assessment reports, 387
Resettlement
  health impacts of large dams, 113
Reviewed impact assessments
  unreviewed *vs.*, 21

S
Scoping
  public participation in environmental assessment, 201

Screening cases
environmental impact assessments, 3
Sectoral environmental assessment
World Bank projects, 333
Sectoral impact assessments
integral *vs.*, 21
Significance determination
body to enforce procedural rules of EIA-system, 3
Ski resort development
environmental dispute resolution, 319
Social analysis
institutionalization at the World Bank, 341
Social cost/benefit assessment
disease prevention, 405
Socio-economic impacts
strategic environmental assessment for transport infrastructure-related policies, 275
Spain
strategic environmental assessment for hydrological and irrigation plans, 259
State regulatory requirements
hazardous waste, 99
Strategic environmental assessment
hydrological and irrigation plans, 259
transport infrastructure-related policies effects, 143
Strategic impact assessments
operational *vs.*, 21
Structural Funds
environmental appraisal of regional development, 245
Sustainable development
hydrological and irrigation plans, 259
political and environmental convergence, 319
strategic environmental assessment effects, 143
testing with environmental assessment, 175
Swine fever
social cost/benefit assessment of disease prevention, 405
System performance
quality of environmental impact assessment reports, 387

T

Technology transfer
Japan to China, 553
Testing
sustainable development, 175
The Netherlands
public investment plans, 305
transport infrastructure-related policies and strategic environmental assessment, 143
Toxicity
hazardous waste regulatory requirements, 99
Transboundary effects
international pollution control, 47
UN-ECE Convention, 37, 47, 57, 85
Transport infrastructure plans
environmental and socio-economic impacts in strategic environmental assessments, 275
frame conflicts, 125
public investment plans, 305
strategic environmental assessment benefits, 143

U

UN-ECE Convention
bilateral agreements, 85
history, 37
implementation, 57
innovations, 47
transboundary effects, 37
United Kingdom
transport infrastructure-related policies and strategic environmental assessment, 143

V

Vector-borne diseases
health impacts of large dams, 113

W

Water pollution
Asian Development Bank role in cleaner production in China, 541
Chinese responses to prevention incentives, 521
World Bank
environmental assessment effectiveness, 333
institutionalizing social analysis, 341
